Dear Mr. Battagliese,

I wish to convey my most sincere gratitude for your thoughtful letter of congratulations.

The high level of engagement from Member States in the priorities addressed during the 41st Session of the Assembly was truly remarkable and allowed for important progress to be made in terms of increased innovation and resilience in air transport.

I wish LACAC every success in the pursuance of its work and assure you of the continued cooperation of ICAO.

Yours sincerely,

Salvatore Sciacchitano
